**Re:    *Horn v. Medical Marijuana, Inc., et al.***  
**Civil Action No.:    1:15-cv-00701 FPG/MJR**  
**Our File No.:        7023**

Dear Chief Judge Geraci:

My office represents the defendants Medical Marijuana, Inc. and Red Dice Holdings, LLC (MMI/RDH) in the referenced action. I write in response to the plaintiff's letter motion, filed this afternoon, for an extension of time to respond to defendants' pending motions *in limine* (ECF Docs. 141 and 142).

If the Court grants plaintiff's motion, I respectfully request that it also allow the defendants no less than a week to reply to plaintiff's opposition papers and reschedule the final pretrial conference for a week after that. The defendants have moved to preclude from evidence nine of the plaintiff's 14 proposed trial exhibits, so the outcome of the *in limine* motions could impact the length and scope of the final pretrial conference.

Thank you for your attention to and consideration of this request.

Respectfully submitted,

**MURA & STORM, PLLC**
